

STEPS FOR MAKING A GLOGSTER

LOGIN: www.edu.glogster.com USERNAME: kalossing PW: glogster

1. Click big green rectangle CREATE A GLOG
2. Select the BLANK template to the left of the screen
3. Delete the sample chalkboard and carton speech bubble to clear your "wall"
4. Click on the blue TOOLS rectangle to get this black box to appear

TEXT	GRAPHICS	IMAGE	AUDIO	VIDEO	DATA
<p>This is where you can type in the text to explain something to your viewer.</p> <p>You can change the font and the size to what you want.</p>	<p>This is where you find some decorative pictures to enhance the glog</p>	<p>First you have to save pictures to your computer.</p> <p>Then you click UPLOAD to add the pictures you saved from your student account up to the glog</p>	<p>This is where you can record your voice to speak the information.</p> <p>You need a microphone from Mrs. Lossing, Mrs. Zabasky or Mrs. Smallwood.</p>	<p>This is where you would upload a movie from the iPad into your glog.</p> <p>Record your movie on the iPad, keep it short, and write down the iPad number you recorded on (numbers are on the back of the iPad)</p>	<p>This is where you could attach a file, but we are not using this feature</p>

5. SAVE every now and then to make sure you do not lose anything
6. NAME your glog like this Teacher/Animal/First Name Last Initial, so Smallwood/Fox/Karen L
7. Under DISCIPLINE click SCIENCE then ANIMALS
8. Click PUBLIC and UNFINISHED

SAVE every day. When you are done click SAVE then PUBLIC and FINISHED
